**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

A strong capitalist economy is sustained by competition. Please maintain maximum competition by keeping barriers to entry low.

The current situation with cable and telecom providers leaves US consumers with very limited choices. More competition is the best way to avoid the need for regulation.
